We had lower than usual number of applications this year with a total of around 70 for Housing, 25 for Benevolent and 10 each for Economic Development and Grave Memorial. Selections were made by Trustees and staff working with the criteria and policies for each category. Each will be awarded a maximum of \$5,000.00 except for Grave Memorial a maximum of \$1,000.00. I will be in touch in the coming weeks with instructions, for now you can now start getting quotes where needed for the work.

Congrats to all on behalf of the Thunderbird Trustees,

Ramona Sault, General Manager
